This Machine con ts in the following par-ulars and works as follows: Harrows the bed of ridge, and opens the fur row, and drops the seed completing the whole of over, and saves the labo much nicer than can be done in the usual way and also, saves at leas one-half the Seed tha

The front plow, hopper, and covering block may I be removed, and Scrapers screwed on. And then you scrape both sides of the row, and harrow the ground, and The above Machines can be got up at a cost of not over eleven dollars, and can be sold in the South for \$ 5 or \$30 as fast as they could be manufacture for shi ped there. Do not let anything provent you making an investigation of our Cotton Planter. We challenge the world to show a better or more labor saving and useful implement for the purpose recommended. The first objection is yet got to be set up against it.

A small model of our Planter may be seen at the Sewance floure, College street, Nashville. We have set the Patent flight of this Machine at 2 % cenus on the bale of cotton produced of any State. Reference being had to the Statistics We can be seen at the Sewance House at present. After a few days, address JUSTICE & GALBREATH, Call and see the model. July24.

S.N. PIKE'S Magnotia WHISKEY Cincinnati OHIO.

COUNTERFEIT CAUTION TO PARTIES PURCHASING S. N. PIKE'S Magnolia Whisky.

OINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and sole for proprietor of the above brand of WillSKY, out out feepestfully inform his customers and pur ers of this celebrated brand, that there has appeare be Charleston and other Southern markets a counter f the above Whisky, being a poisonous imitation, branded imilar to his brand; it passes under the name of S. N. Dike's Ingnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. rike. As there is no party in this city of the name of S. N. Pike. It is intended to impose and descive those who would jurchase the gonuine brand. I make this statement to put parties on their guard, as there are several persons in the cast and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfelt brand, and found that it contains a deadly polson; this fact alone impels me to caution the public, protect those who are liable to be ecsived and prevent the evil results attending the use of the poisonous imitation. I also hereby caution the counter feiters of my brand that I will prosecute them to the full extent of the law. The gennine S. N. Pike's Magnolia Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleterious or obnox ious compound, it being a pure and healthy beverage. Many parties have recently commenced making a brane f Whisky cattled Magnelia, but they are an immitation of my trade brand, so be careful at d get the only genuine Magnolia Whisky made in the United States, and distilled only by me.
